## 2007 Chardonnay, Santa Cruz Mountains

### Our History

At BARGETTO WINERY, we have been dedicated to producing fine Santa Cruz Mountain wines for over 75 years. As one of California's historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargettos continues to pursue winemaking excellence and innovation.

### Our Estate Vineyard

BARGETTO WINERY'S Regan Estate Vineyard is located on a southwest slope in the Santa Cruz Mountains, overlooking the majestic Monterey Bay. This cool climate vineyard allows the grapes to develop rich and complex flavors over an exceptionally long growing season. These distinct and age-worthy wines from Regan Vineyards reflect this unique location. We are committed to sustainable winegrowing practices such as, biodiesel and solar electricity.

### Winemaker's Notes

The 2007 Chardonnay Santa Cruz Mountains is a blend of two clones of Chardonnay, Mt. Eden clone and clone 4 from the estate vineyard. Fifty percent of the blend consists of the Mount Eden clone. This clonal selection was brought here from Corton-Charlemagne in Burgundy, France in the late 19<sup>th</sup> century, and is recognized for yielding rich and complex Chardonnays.
