Thank you for your interest in having your wedding here at Bargetto Winery. Our winery cellars and creek side courtyard are available for weddings, private parties, and corporate meetings.

CREEK SIDE COURTYARD

Our newly renovated courtyard overlooking Soquel Creek is a beautiful event facility. It is a serene setting with great accessibility! The courtyard can accommodate approximately 125 guests for a sit-down event and is available year-round, weather permitting.

WINERY CELLARS

Our historic winery cellars make a unique setting for a special event. Dining amongst the barrels is always unforgettable! Our cellars can accommodate approximately 50 seated guests and availability is limited to non-harvest times.

Enclosed is our event package, which has information on our facilities and rates. If you'd like to know the availability of a specific date, please give me a call. A \$500 non-refundable deposit would secure a date for your event.

Contact me if you have further questions or if you would like to set up an appointment to come and take a closer look at our facilities.

Sincerely yours,

Tarah Basilico
