### *Greetings!*

Thank you for your interest in having your wedding here at BARGETTO WINERY. Our winery cellars and creek side courtyard are available for weddings, private parties, and rehearsal dinners.

#### **CREEK SIDE COURTYARD**

Our newly renovated courtyard overlooking Soquel Creek is a beautiful event facility. It is a serene setting with great accessibility! The courtyard can accommodate approximately 125 guests for a sit-down event and is available year-round, weather permitting.

#### **WINERY CELLARS**

Our historic winery cellars make a unique setting for a special event. Dining amongst the barrels is always unforgettable! Our cellars can accommodate approximately 75 seated guests and availability is limited to non-harvest times.

Enclosed is our event package, which has information on our facilities and rates. If you would like to know the availability of a specific date, please call me. A \$500 non-refundable deposit would secure a date for your event.

Please contact me if you have further questions or if you would like to set up an appointment to take a closer look at our facilities.

Sincerely yours,

*Laura Manriquez*
